	SECTION: Supply Chain	REV. C	Page 4 of 27
		EFFECTIVE DATE: July 8th, 2024	

1. Contract Formation

Supplier will be deemed to have accepted all provisions of this Purchase Order (and thus forming a contract) upon the first of the following to occur: (i) Supplier's signing and returning a copy of this Purchase Order to Honeybee Robotics; (ii) Supplier beginning to perform the work called for by this Purchase Order (including shipping of the Products to Honeybee Robotics); or (iii) Supplier's acknowledgement of this Purchase Order by electronic means or otherwise. Written acknowledgment is requested within three (3) business days of receipt of order. If this Purchase Order is rated under the DPAS, Supplier must sign and return a copy of this Purchase Order either electronically or physically. If this Purchase Order supports the U.S. Government as a DX or DO rated order and exceeds \$125,000, Supplier must sign and return a copy of this Purchase Order within the timeframe required by the DPAS regulations.

2. Contract Direction

- A. Procurement Representative.** The Procurement Representative is the only person with authority to modify the terms of this Purchase Order.
- B. Technical Personnel.** Occasionally, Honeybee Robotics' engineering and technical personnel may provide assistance or technical advice, or exchange information with Supplier's personnel concerning this Purchase Order. Such actions will not be deemed a change under the "Changes clause" of this Purchase Order and will not provide a basis for an equitable adjustment. If Supplier is in doubt as to whether it has received direction it is obligated to follow, it must promptly confirm with the Procurement Representative in writing whether a change was intended. If Supplier proceeds absent express direction from the Procurement Representative, Supplier waives any right to request an equitable adjustment and is at risk of noncompliance with the requirements of this Purchase Order.

3. Changes

- A. Written Notice.** The Procurement Representative may at any time, by written notice to Supplier, and without notice to sureties or assignees, make changes and give contract direction within the general scope of this Purchase Order to any one or more of the following: (i) drawings, designs, or specifications; (ii) method of shipping or packing; (iii) place of inspection, acceptance, or point of delivery; (iv) property furnished by Honeybee Robotics or its customer; (v) time or place of performance; (vi) quantity; (vii) delivery schedule; and (viii) terms and conditions required to meet Honeybee Robotics' obligation

 HONEYBEE ROBOTICS	TITLE: Purchase Order Terms and Conditions	DOC NO. HBRPUR-01	
	SECTION: Supply Chain	REV. C	Page 5 of 27
		EFFECTIVE DATE: July 8th, 2024	

under its customer contracts including, but not limited to, any mandatory flow-down clauses.

- B. Equitable Adjustment.** If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of this Purchase Order, Honeybee Robotics will make an equitable adjustment in the price or delivery schedule and modify this Purchase Order accordingly. Honeybee Robotics may request a detailed schedule analysis or claim demonstrating Seller's entitlement to an adjustment.
- C. Claim.** Supplier waives a claim for an equitable adjustment under this section unless it submits such claim in writing to Honeybee Robotics within fifteen (15) business days from the date of the notice of the change.
- D. Stop Work.** Upon receipt of written notice from a Procurement Representative, Supplier shall immediately stop performance under any designated Purchase Order for up to one hundred eighty (180) days, or for such longer period of time as the Parties may agree and shall take all reasonable steps to promptly minimize the incurrence of all costs allocable to such designated Purchase Order during the period of stoppage. Prior to the end of the stoppage, Honeybee Robotics shall either issue written notice to Supplier to resume performance or terminate some or all of the designated Purchase Order or portions thereof. Equitable adjustment shall be made to the price, delivery schedule, performance schedule, or other provisions affected by the stoppage, if applicable, provided that the claim for equitable adjustment is made by Supplier within thirty (30) calendar days after date of notice to resume performance, unless Honeybee Robotics agrees in writing to a longer period.
- E. Disputed Claim.** Failure to agree to any equitable adjustment will be resolved in accordance with the "Disputes" section of this Purchase Order. However, nothing contained in this section will excuse Supplier from proceeding immediately in the performance of this Purchase Order as changed.

4. Supplier Forms

Either party may use its standard business forms to administer Purchase Orders, but use of such forms is for the parties' convenience only and does not alter the provisions of this Purchase Order. The terms set forth in this Purchase Order take precedence over any alternative terms in any other document connected with this transaction, unless such alternative terms are part of a written agreement mutually negotiated and executed by the parties and that agreement expressly states that its terms will take precedence over these terms in the event of a conflict. HONEYBEE ROBOTICS

 HONEYBEE ROBOTICS	TITLE: Purchase Order Terms and Conditions	DOC NO. HBRPUR-01	
	SECTION: Supply Chain	REV. C	Page 6 of 27
		EFFECTIVE DATE: July 8th, 2024	

WILL NOT BE BOUND BY, AND SPECIFICALLY OBJECTS TO, ANY PROVISION THAT IS DIFFERENT FROM OR IN ADDITION TO THE PROVISIONS OF THIS PURCHASE ORDER (WHETHER PROFFERED BY SUPPLIER VERBALLY OR IN ANY QUOTATION, INVOICE, SHIPPING DOCUMENT, ACCEPTANCE, CONFIRMATION, CORRESPONDENCE, OR OTHERWISE), UNLESS SUCH PROVISION IS SPECIFICALLY AGREED TO IN WRITING AND SIGNED BY HONEYBEE ROBOTICS.

5. Price and Payment

- A. Price.** Prices are firm and are not subject to increases or additional charges for any reason. The Seller warrants that the prices for the Products sold to Honeybee Robotics under the Order are no less favorable than those currently extended to any other customer of Seller for comparable or like Products in equal order lesser quantities. In the event Seller reduces its price for such Products during the term of an Order, Seller agrees to reduce the prices under any Order accordingly and credit the difference to Honeybee Robotics.
- B. Payment Timing.** Honeybee Robotics will make payment within 45 days after the later of: (i) Honeybee Robotics' receipt of Supplier's correct invoice in conformance with the invoicing requirements of this Purchase Order; or (ii) Honeybee Robotics' final acceptance of the Products.
- C. Payment Agent.** Supplier consents to Honeybee Robotics' use of a third-party payment agent (if applicable, as listed on this Purchase Order) to make payments to Supplier on behalf of Honeybee Robotics under this Purchase Order. Supplier agrees that Honeybee Robotics' use of a payment agent does not constitute an assignment or assumption of any Honeybee Robotics obligation, responsibility, or liability under this Purchase Order, nor does it create any contractual relationship between Honeybee Robotics' payment agent and Supplier. Supplier will direct all invoices related to this Purchase Order to Honeybee Robotics (not the payment agent).
- D. Taxes.** Unless prohibited by law or otherwise specified, Supplier will pay and has included in the price of any amounts payable under this Purchase Order any federal, state, or local tax; transportation tax; or other tax which is required to be imposed upon the items ordered hereunder, or by reason of their sale or delivery, except for applicable sales and use taxes that are listed separately on Supplier's invoice. Prices will not include any taxes, duties, tariffs, or similar fees for which Honeybee Robotics has furnished a valid exemption certificate or other evidence of exemption.
- E. Setoff.** Honeybee Robotics shall have a right to withhold, setoff, or recoup under any

payments or credits due or at issue under this Purchase Order.

6. Invoicing

- A. Detail.** All invoices must include the following data elements required for timely receipt and payment without error and matching this Purchase Order: (i) Supplier legal entity name; (ii) invoice number; (iii) invoice date and date of service/delivery of Products; (iv) invoice payment terms; (v) Purchase Order number; (vi) Purchase Order line item number; (vii) line item description of the good, service, tax, or reimbursable expense incurred during the applicable invoicing period; (viii) quantity invoiced or, if applicable, an itemization of time (e.g., daily time cards) spent by Supplier and its permitted subcontractors in performance of services and, if applicable, an itemization of any reimbursable expenses including shipping and handling charges; (ix) unit of measure; (x) unit price; (xi) line item extended total price; (xii) total invoice amount; (xiii) Supplier's packing slip number and lot/serial number(s); (xiv) Supplier contact name, email address, and phone number; (xv) Procurement Representative contact name, email address, and phone number, and if required; (xvi) name and address for remittal of payment; (xvii) customer legal entity name; (xviii) ship-to address (or service address); and (xix) applicable taxes. Additional required data elements may be identified and included in other instructions in this Purchase Order. Any deviation to this requirement must be approved by the Procurement Representative in writing in advance of shipment or invoice submittal. Failure to adhere to this clause may delay receipt or result in rejection of items shipped or delay in payment of invoices.
- B. Method.** Supplier must deliver invoices in accordance with the instructions provided in the Purchase Order.
- C. Audit.** Honeybee Robotics may audit, or cause to be made such audit, of the invoices and substantiating information at any time or times prior to final payment under this Purchase Order. Each payment made by Honeybee Robotics will be subject to reduction to the extent of amounts that are found by Honeybee Robotics not to have been properly payable and will be subject to reduction for overpayments or to increases for underpayments on preceding invoices.

7. Timely Performance

Time is of the essence in Supplier's performance under this Purchase Order. Supplier will deliver to Honeybee Robotics at the Specified destination no later than the Specified delivery date. If

 HONEYBEE ROBOTICS	TITLE: Purchase Order Terms and Conditions	DOC NO. HBRPUR-01	
	SECTION: Supply Chain	REV. C	Page 8 of 27
		EFFECTIVE DATE: July 8th, 2024	

Seller's deliveries fail to meet Specified delivery schedules, Honeybee Robotics, without limiting its other rights or remedies, may either direct expedited routing or charge excess costs including cover and any incidentals incurred thereby to Seller or cancel all or part of the Order without cost to Honeybee Robotics and/or receive a credit (which may be used, at Honeybee Robotics' sole election, to set off and reduce amounts due under the current or any future Order) equal to three percent (3%) of the total payments due under the Order if the delivery is thirty (30) calendar days or more late, with an additional three percent (3%) discount for each additional thirty (30) calendar days during which Seller has not fully and timely satisfied the delivery requirements under the Order. Supplier will not be liable for delays to the extent caused by Honeybee Robotics' negligent actions or omissions that cannot be reasonably avoided by Supplier, provided that Supplier gives Honeybee Robotics prompt written notice of the delay and takes commercially reasonable measures to mitigate the delay.

8. Title and Risk of Loss

Applicable if Product Includes the Delivery of Goods

Title to Products furnished under this Purchase Order will pass to Honeybee Robotics upon final acceptance by Honeybee Robotics, regardless of when or where Honeybee Robotics takes physical possession, unless this Purchase Order specifically provides for earlier passage of title.

- A. Unless this Purchase Order specifically provides otherwise, risk of loss or damage to Products will remain with Supplier, and will not pass to Honeybee Robotics, until: (i) delivery of the Products to a carrier, if transportation is Free-on-Board origin; or, (ii) delivery of the Products to Honeybee Robotics at the Specified destination, if transportation is Free on Board destination.
- B. The risk of loss or damage to Products that Honeybee Robotics has a right to reject remains with Supplier until final acceptance or until all non-conformances are cured.

9. Packing and Shipping

Applicable if Product Includes the Delivery of Goods

- A. Seller shall pack and mark all Products in compliance with good commercial practice in a manner that will prevent damage to or deterioration of the Products during transit. Further if specified, Supplier will comply with packaging requirements Specified in the Order or Quality Requirements (e.g., no Pink Poly). No separate or additional charge is payable by Honeybee Robotics for containers, crating, boxing, bundling, dunnage,

drayage or storage unless specifically stated in the Order. Seller shall reimburse any expense incurred by Honeybee Robotics as a result of improper packaging, packing, or marking. Supplier will comply with Honeybee Robotics' written shipping instructions provided in connection with this Purchase Order.

- B.** Supplier will enclose a complete packing list with all shipments. Supplier will mark containers or packages with necessary lifting, loading, and shipping information, including Honeybee Robotics Purchase Order number, item number, dates of shipment, and the names and addresses of consignor and consignee. Bills of lading must include this Purchase Order number.
- C.** Unless otherwise Specified, all shipments will be delivered Free on Board destination (place of destination, as described in the Uniform Commercial Code Section 2- 319). In the event of shipping to the incorrect Honeybee Robotics' location, Seller shall pay for transfer of the shipment.

10. Acceptance and Rejection

- A.** Neither receipt nor payment shall constitute final acceptance. Honeybee Robotics will accept Product within a reasonable time after delivery (not to exceed 90 days) to the Specified destination. Honeybee Robotics will not be obligated to accept substitutions, untimely deliveries, deliveries in quantities other than those ordered by Honeybee Robotics or deliveries of Product failing to conform to Honeybee Robotics' specifications or Supplier's warranties described in this Purchase Order. Honeybee Robotics will not accept any delivery received 30 days or more prior to the delivery schedule of this Purchase Order without prior written approval. Acceptance by Honeybee Robotics of substitutions, untimely deliveries, partial deliveries or non-conforming Product will not constitute a waiver of the delivery schedule or other requirements of this Purchase Order. Honeybee Robotics' inspection, failure to inspect, or failure to discover any defect will not relieve Supplier of any obligation hereunder or impair Honeybee Robotics' rights or remedies at law or in equity.
- B.** If Supplier delivers non-conforming Product, Honeybee Robotics may (i) accept all or part of such Product; (ii) return the Product for credit or refund; (iii) require Supplier to promptly correct or replace the Product; (iv) correct, or have a third party correct, the Product; or (v) perform, or have a third party perform, replacement Product.
- C.** Supplier will not redeliver corrected or rejected Product without disclosing the corrective action taken. In the event non-conforming Product is re-delivered subsequent to corrective

action, Honeybee Robotics may require Supplier, at Supplier's expense, to include an inspection report from a third-party inspector acceptable to Honeybee Robotics with any subsequent redelivery.

11. Warranty

Applicable if Product Includes the Delivery of Goods

- A.** Supplier warrants that all goods furnished under this Purchase Order will conform to all specifications and requirements of this Purchase Order and will be free from defects in materials and workmanship. Seller shall use an adequate number of qualified individuals who possess the requisite training, education, licensing, experience and skill to perform its obligations hereunder. All deliverables provided shall be free from defects, errors and deficiencies and fit for the purposes and uses intended by Honeybee Robotics. If at any time Honeybee Robotics notifies Seller that any such equipment, material, article or workmanship fails to meet the foregoing standards, Seller shall, at its expense, promptly take all remedial steps required to meet those standards. To the extent goods are not manufactured pursuant to detailed designs and specifications furnished by Honeybee Robotics, Supplier warrants that the goods will be free from design and specification defects.
- B.** This warranty will begin after final acceptance by Honeybee Robotics and will extend for a period of: (i) the manufacturer's warranty period or 12 months, whichever is longer, if Supplier is not the manufacturer and has not modified the goods; or (ii) four years or the manufacturer's warranty period, whichever is longer if Supplier is the manufacturer of the goods or has modified them. Honeybee Robotics will give written notice to Supplier of any warranted defect or nonconformance of goods. Honeybee Robotics, at its option, may require Supplier to promptly correct or replace warranted goods at no expense to Honeybee Robotics. If correction or replacement by Supplier is not timely, Honeybee Robotics may, at Supplier's expense, return the goods to Supplier, correct or replace the goods, or have a third party correct or replace the goods. Supplier will comply with Honeybee Robotics' direction under this provision. If it is later determined that Supplier did not breach this warranty, the parties will equitably adjust the price. In addition to the costs of repairing, replacing or correcting nonconforming goods, Seller is responsible for all related costs, expenses and damages including, but not limited to, the costs of removal, disassembly, failure analysis, fault isolation, reinstallation, re-inspection and retrofit of the nonconforming goods or of Honeybee Robotics' or its customers' affected end-product(s); all freight charges; all customer charges and/or penalties; inventory carrying costs and all corrective action costs (i.e., costs of additional inspection or quality control systems).

 HONEYBEE ROBOTICS	TITLE: Purchase Order Terms and Conditions	DOC NO. HBRPUR-01	
	SECTION: Supply Chain	REV. C	Page 11 of 27
		EFFECTIVE DATE: July 8th, 2024	

Unless set off by Honeybee Robotics, Seller will reimburse Honeybee Robotics for all such costs upon receipt of Honeybee Robotics' invoice.

- C. None of the remedies available to Honeybee Robotics for the breach of any of the foregoing warranties may be limited except to the extent and in the manner agreed upon by Honeybee Robotics in a separate agreement specifically designating such limitation and signed by an authorized representative of Honeybee Robotics. Honeybee Robotics' inspection and/or acceptance of and payment for goods and services shall not constitute a waiver by it of any warranties. Honeybee Robotics' approval of any sample or acceptance of any goods shall not relieve Seller from responsibility to deliver goods and to perform service conforming to specifications, drawings, and descriptions.

12. Recall

Seller is liable for all costs or damages associated with any voluntary or involuntary recall of defective or potentially defective goods or any products containing or incorporating such goods including, but not limited to, recalls by a customer, regulatory agency or in accordance with applicable laws or regulations. Seller will be solely responsible for administering any recall or will fully participate in the administration of any recall conducted by Buyer or its customer in relation to Seller's Goods as Buyer may so direct. Buyer may charge the Seller all expenses of unpacking, repacking and reshipping such Goods. Each party will cooperate in making available records and other information reasonably required by the other party in connection with any recall. This section will survive any termination or expiration of this Order and apply for at least the same duration as Buyer's obligation to its customer(s).

13. Quality Requirements

Quality Clause Group 0 applies to all Purchase Orders unless a different Quality Clause Group is identified on the Purchase Order. For the latest Quality Requirements <https://www.honeybeerobotics.com/working-with-us/for-suppliers/>.

14. Counterfeit Product

- A. Supplier will not deliver Counterfeit Product to Honeybee Robotics under this Agreement. Supplier will only purchase Product for the Agreement directly from the OEM or through an OEM authorized distributor chain. Product shall not be acquired from independent distributors or brokers unless approved in advance in writing by Honeybee Robotics.

 HONEYBEE ROBOTICS	TITLE: Purchase Order Terms and Conditions	DOC NO. HBRPUR-01	
	SECTION: Supply Chain	REV. C	Page 12 of 27
		EFFECTIVE DATE: July 8th, 2024	

- B. Supplier shall notify Honeybee Robotics if Supplier becomes aware or suspects that it has furnished Counterfeit Product. When requested by Honeybee Robotics, Supplier shall provide OEM documentation that authenticates traceability of the affected Product to the applicable OEM. In the event of Counterfeit Product, Supplier shall, at its expense, replace such Counterfeit Product with genuine Product conforming to the requirements of the Agreement.
- C. Notwithstanding any other provision in the Agreement, Supplier shall be liable for all costs relating to the removal and replacement of Counterfeit Product, including without limitation Honeybee Robotics' costs of removing Counterfeit Product, of installing replacement Product and of any testing necessitated by the reinstallation of the Product after Counterfeit Product has been replaced.
- D. This Section 14 applies in addition to any quality provision, specification, statement of work or other provision included in this Agreement addressing the authenticity of Product. To the extent such provisions conflict with this Section 14, this clause prevails.

15. Defense and Indemnity

Supplier will defend, indemnify, and hold harmless Honeybee Robotics, its officers, directors, affiliates, subsidiaries, employees, agents, customers, and assigns from and against any allegation, claim, suit action, proceeding, damages, losses, settlement, cost, expense, and any other liability (including, but not limited to, reasonable attorney fees) arising out of, related to, or resulting from: (i) actual or alleged infringement of any patent or copyright, or misappropriation of trade secret from the design, manufacture, possession, ownership, use, sale, or transfer of the Products; (ii) an actual or alleged breach of any of Supplier's representations, warranties, or other obligations under this Purchase Order; or (iii) any act or omission of Supplier or its employees, agents, affiliates, contractors, or subcontractors, except to the extent caused by the gross negligence or willful misconduct of Honeybee Robotics as determined by a final, non-appealable order of a court having jurisdiction. Supplier's duty to defend is independent of its duty to indemnify. Supplier's obligations under this Section 15 are independent of any other obligation of Honeybee Robotics under this Purchase Order. Supplier's obligations under this Section 15 will survive Honeybee Robotics' acceptance of and payment for the Products. If an alleged claim of infringement or misappropriation is made, Supplier will procure for Honeybee Robotics, and Honeybee Robotics' customers, the rights to continue using the Products, modify them in a manner acceptable to Honeybee Robotics to remove the claim, or with the written approval of Honeybee Robotics, replace the Products with a non-infringing one or remove the Products and refund the purchase price.

16. Insurance

Supplier will obtain and maintain for the greater duration of: (i) this Purchase Order; (ii) the warranties contained herein; or (iii) for the full period of repose under applicable law at its sole expense the following types of insurance policies with the minimum limits identified as follows:

Commercial general liability insurance, including contractual liability, cross liability, products and completed operations, and personal and advertising injury, with limits not less than \$2,000,000 per occurrence combined single limit insuring against claims for bodily injury and property damage Supplier assumes under this Purchase Order;
Business auto liability insurance with limits not less than \$1,000,000 per accident covering owned, hired, or non-owned vehicles;
Workers' compensation insurance with statutory limits as required by law under the jurisdiction where the work under this Purchase Order is performed; and
Employers' liability insurance with limits not less than \$1,000,000 covering injury, illness, or death.

Such insurance will be primary to any insurance that may be carried by Honeybee Robotics and ensure that Supplier's insurers waive their rights of subrogation in favor of Honeybee Robotics, and name Honeybee Robotics, its affiliates, officers, directors, employees, and contractors of any tier (other than Supplier) as additional insureds. Insurance required herein will not be cancelled or materially altered without prior notification to Honeybee Robotics, as per each policy's notification provisions. Upon acceptance of this Purchase Order, Supplier will provide Honeybee Robotics with certificate(s) of insurance, identifying additional insureds as specified above, and other supporting documentation as Honeybee Robotics reasonably may request to evidence Supplier's continuing compliance with the preceding sentence. Honeybee Robotics' acceptance of any of Supplier's insurance will not relieve Supplier of any obligations in this Purchase Order including, but not limited to, its defense and indemnity, even for claims over Supplier's policy limits.

17. Honeybee Robotics' Furnished Materials

- A. Honeybee Robotics shall retain full title to and ownership of all Honeybee Robotics Property. Unless otherwise agreed to in writing by Honeybee Robotics, Supplier shall use Honeybee Robotics Property for the sole purpose of rendering services or providing goods to Honeybee Robotics.
- B. Supplier accepts and will use Honeybee Robotics Property in "AS IS" and "WHERE IS"

condition. Honeybee Robotics makes no representations or warranties, express or implied, with respect to Honeybee Robotics Property, and Honeybee Robotics expressly disclaims all warranties.

- C.** Supplier shall not lease, assign, loan, or sell any Honeybee Robotics Property or any interest therein, without Honeybee Robotics' prior written consent. Supplier shall keep Honeybee Robotics Property free and clear of all liens, claims, and encumbrances while in Supplier's possession. Supplier shall ensure that, at all times, Honeybee Robotics Property clearly displays signs or markings attached thereto evidencing Honeybee Robotics' ownership of Property and is safely stored separate and apart from Supplier's property.
- D.** Supplier shall have exclusive possession of and control over Honeybee Robotics Property and Supplier shall assume full responsibility and risk of loss for Honeybee Robotics Property and its use. Supplier shall insure Honeybee Robotics Property, at Supplier's expense, for (i) replacement cost with loss payable to Honeybee Robotics and (ii) loss or damage by fire, flood, and common perils by an insurance company acceptable to Honeybee Robotics.
- E.** Supplier hereby agrees that Honeybee Robotics may, in its discretion, upon reasonable notice, but without legal process, (i) enter the premises where Honeybee Robotics Property may be and take possession thereof, whether at Supplier's premises or its supplier's, or (ii) request Supplier delivers Honeybee Robotics Property to a mutually agreed upon location, in which case, Supplier shall prepare Honeybee Robotics Property for shipment and deliver it as directed by Honeybee Robotics, at Supplier's expense, in the same condition as originally received by Supplier, reasonable wear and tear excepted.
- F.** Unless otherwise instructed by Honeybee Robotics in writing, upon completion of performance of all Purchase Order requirements, Supplier shall return all Honeybee Robotics Property to Honeybee Robotics at Supplier's expense.

18. Scrap

- A.** If Honeybee Robotics supplies any materials, including, but not limited to, raw materials and components, to Supplier for the production of a manufactured Product and Supplier produces Scrap in such production, Supplier will contact the Procurement Representative for disposition instructions, which may include using commercially reasonable efforts to sell such Scrap and credit Honeybee Robotics, at Supplier's selling price, for any such Scrap sold by Supplier.

- B. If any Scrap is produced after final acceptance of Products by Honeybee Robotics, Honeybee Robotics will retain ownership of such Scrap.
- C. If Supplier is producing a manufactured Product pursuant to this Purchase Order, with reasonable advance notice and at no additional charge, Supplier must grant right of access to Honeybee Robotics to the areas of any facilities and sub-tier supplier locations that are involved in the manufacturing or production of Products to inspect Supplier's Scrap processes.
- D. Supplier shall use commercially reasonable efforts to continually reduce Scrap produced during the production of Products.

19. Cybersecurity and Incident Reporting

- A. Seller shall comply with the following:
- B. Seller shall establish and maintain environmental, safety and facility procedures, data security procedures, and other safeguards against the destruction, corruption, loss or alteration of Buyer's data and to prevent access, intrusion, alteration or other interference by any unauthorized third parties of the same, that are: (i) no less rigorous than those maintained by Seller for its own information or the information of customers of a similar nature; (ii) no less rigorous than the accepted practices in the industry; and (iii) no less rigorous than those required by applicable data security and privacy statutes and regulations.
- C. **Cyber Incidents.** Without exception, Seller shall report to Buyer any breach of Seller's data security procedures that result in any actual or threatened loss, corruption, or alteration of Buyer's data within seventy-two (72) hours of Seller's discovery of the incident. The report shall be made to the Honeybee Robotics Cybersecurity Operations Center by sending an email to CyberIncidents@HoneybeeRobotics.com and calling (303) 774-7613.
 - (i) In such an instance, in addition to Seller's other obligations under the Order, or under any law or regulation, Seller agrees to promptly remedy any such breach and to fully cooperate with Buyer in resolving such breach and mitigating any damage from such breach at Seller's cost. Failure to report any cyber incidents will be considered a material breach of the Order. In the event of a data breach, Buyer shall be afforded unfettered access to certain technical information (e.g., logs, packet flow information, etc.) in order to satisfy Buyer's information requests. The Seller will

not inform any third party of an incident involving the Buyer's data without first obtaining the Buyer's prior written consent, except when law or regulation requires it. The Seller will reimburse the Buyer for actual reasonable expenses the Buyer incurs when responding to and mitigating damages related to a cyber incident, to the extent that the Seller caused a cyber incident.

- D. Cyber checklists.** Should Buyer elect to utilize supplier checklists, representations or certifications of compliance, outside Seller verification, or onsite security audits, Seller shall support as required to meet the continuing needs of Buyer or Buyer's customers.

20. OBSOLESCENCE MANAGEMENT:
